

How do I get started with Skype?

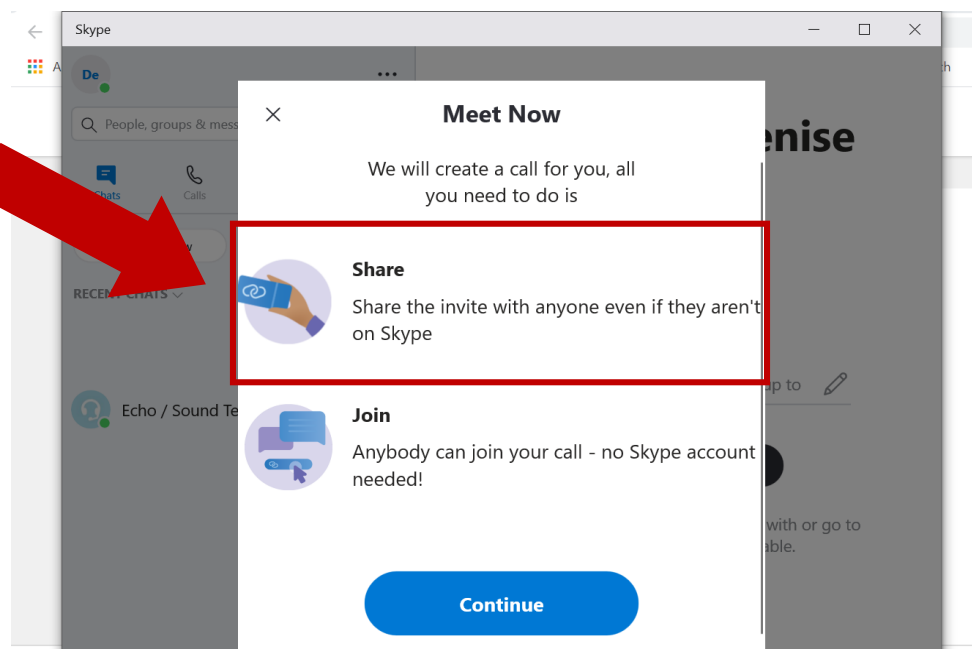

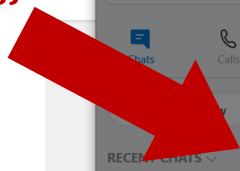

- [Download Skype](#) to your device.
 - Mobile / Windows / Mac
- [Create a free account](#) for Skype using your personal email.
- [Sign in to Skype](#)

After signing in -

STEP 1 :
Select "Meet Now"

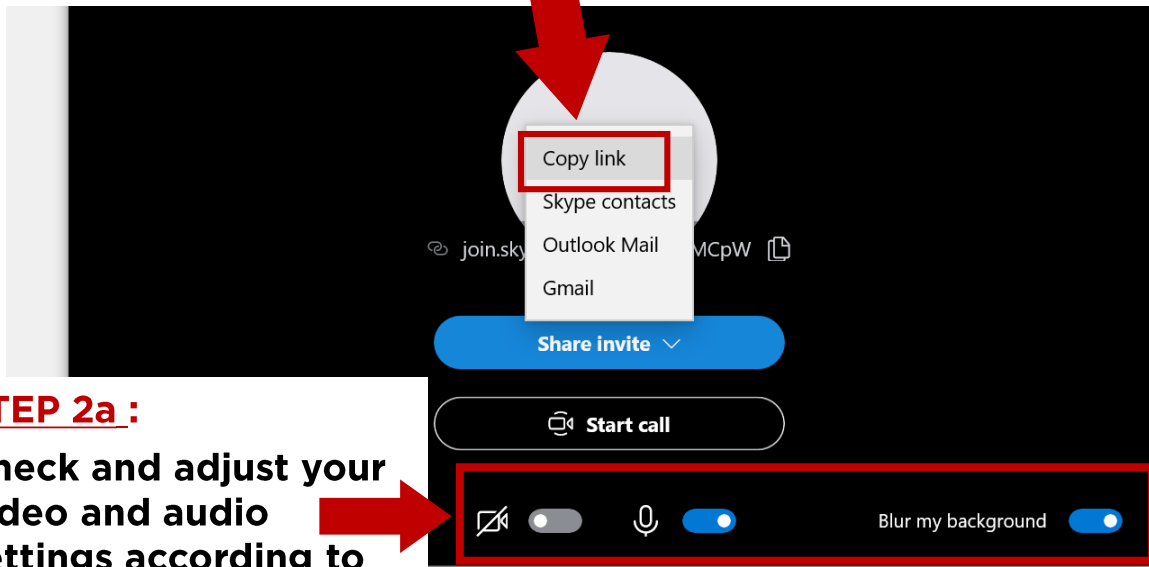

STEP 1a :
Select "Share"

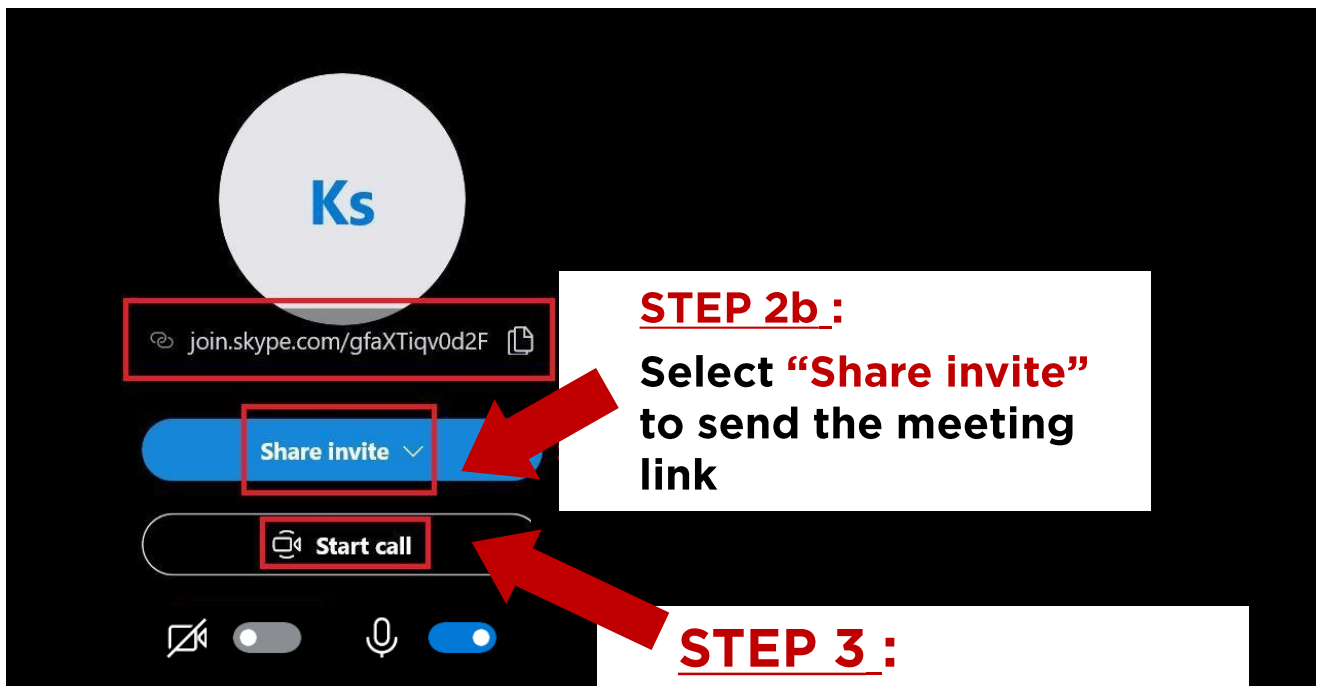

STEP 2 : Select “Copy link”

This helps to generate a link for you to share it with those you wish to invite to your Skype meeting

STEP 2a :

Check and adjust your video and audio settings according to your preferences

STEP 2b :

Select “Share invite” to send the meeting link

STEP 3 :

Select “start call” to begin hosting your Skype meeting
