

# CHILDREN in Worship Services

Jesus welcomes little children and so does BRMC, as the body of Christ.

As our little ones learn to worship, let's all also learn to include them as God's family.

Say a prayer for our children and their families, that the Lord will bless them through the time of worship.

## GUIDELINES FOR FAMILIES

### WORSHIP POSTURE

- Let your children know that the service time and space are sacred, unlike their home, playground, or school
- Teach them the right posture before God, e.g. to raise their hands during songs, and to join in what others are doing
- Remind them to be considerate of others during the service

### TOYS AND ACTIVITY SHEETS

- Bring toys that are soft or padded, if needed.  
*(Hard items will echo throughout the Sanctuary when knocked or dropped)*
- Prepare activity sheets to keep your children busy during the service\*

### CRY ROOM

- If your children have meltdowns, fuss or make loud noises every 3-5 minutes, please bring them outside to the Cry Room
- Do return to the Sanctuary as soon as they have settled down
